

## 1.0 Perseus Forwarders Commitment

Perseus Forwarders Group is committed to the provision of customized freight forwarding and logistic solutions and to deliver services within the parameters of customer contracts continually aiming to improve its services.

## 2.0 Our Product and Services

Our products and services are dependable, reliable and consistent with our customer expectations. Perseus is committed to maintain and expand its service to existing customers, and expand our customer base across the region.

## 3.0 Conformity to International Standards

Perseus Forwarders Group ensures conformity to statutory and regulatory requirements in countries of operations and has implemented a quality management system (QMS) complying with International Standard. Ensure that all activities within the Company meet International Safety Standards, statutory and regulatory requirements at all times.

## 4.0 Continual Improvement

To continually enhance the effectiveness of our QMS, we have set relevant Quality Objectives at all function levels, against which activities are carefully monitored and analyzed to ensure KPI's are achieved and maintained. Provide training to International Standards for all new employees; have the best team in place at all times.
